

25th October 2018

Headteacher: Mr David Snell

Dear Parents/Carers

Activities Week – Monday 8th July to Friday 12th July 2019

We are delighted to share our plans for our year 5 pupils to enjoy during our 2019 Activities Week.

Every year pupils are offered the chance to experience new challenges, spend time and build relationships with peers and to also increase their confidence in many ways during a week of activities.

Our year 5 pupils will enjoy a varied day of activities within school followed by 2 days at Ackers Adventure enjoying both land and water based activities such as archery, abseiling, tobogganing, bell boating and more. These activities provide something for everyone whilst enjoying the excitement of going on a trip with their friends and experiencing the adventure of a facility such as Ackers.

Pupils who are not keen on the more adventurous activities can observe and not feel that they need to participate if they feel too anxious, although we are aiming to support and encourage pupils to partake in as many new experiences as possible. By giving them the option to observe we hope it will encourage everyone to go on the trip and maybe push themselves to try something new. We are confident that our Year 5 group will enjoy this special time with their fellow year 5 friends and a number of our teachers.

The cost for the activities is £50. To confirm your child's place on the trip, please can we ask you to make a deposit payment of £25 no later than 31st October 2018 via ParentPay. This is to enable us to confirm the venue and the number of instructors required for the trip.

Please note deposits are non-refundable.

With Kind Regards

Mr David Snell
